Summer Camp - Tiered Pricing Explanation

Every year, only a small portion of the cost of our Summer Camp programs (overnight and day camps) is covered by the income generated through registration fees paid by camper families. A large additional portion is covered by church and non-profit sponsorships. Of the one-third remaining, Camp Manatawny covers the amount from various sources, including donations and through profits generated through the rental of Camp property for retreats, school events, family events, and other gatherings.

Starting in the 2027 Camp season, the board has decided to implement tiered pricing for our summer weeks. This means that individual families can choose which of three pricing tiers they will pay for a week of overnight and day camp:

Overnight Camp Week

Tier 1 Pricing	Pay the largest part ($575) of the cost of an overnight week
Tier 2 Pricing	Pay a large part ($510) of the cost of an overnight week
Tier 3 Pricing	Pay a smaller portion ($450) of the cost of an overnight week

Day Camp Week

Tier 1 Pricing	Pay the largest part ($475) of the cost of a day camp week
Tier 2 Pricing	Pay a large part ($410) of the cost of a day camp week
Tier 3 Pricing	Pay a smaller portion ($350) of the cost of a day camp week

Tier 1 Pricing can be selected by families who choose to pay the largest part of the cost of a summer week. Tier 3 pricing can be chosen by families who have significant financial difficulties and can only pay a smaller portion of the cost of a summer week.

Please remember that the cost of a week at camp costs more than even Tier 1 families will be paying. Thanks to the generosity of our many Camp donors, a significant portion of the cost is covered through donations. If you wish to sponsor a camper in full or in part, please make a donation toward camperships (sponsor a camper).

Also, as in the past, truly needy families can contact their church about the availability of partial or full church sponsorships. And those who cannot get assistance from another source can apply for financial aid (campships) through Camp during the registration process. The deadline for financial aid applications through Camp is June 1, 2027.

If you have any further questions, please call the Camp's main number.

Thanks and blessings,
The Camp Manatawny Board of Directors and Executive Director
