THE CONCEPT: The reunion will provide lots of time to hang out and visit with friends and staff. You may also organize class gatherings, performing groups to sing/act, or sports teams can play basketball, soccer etc. or meet with coaches who attend. Nothing is required, but we have found that some activities provide a focus for coming together. NCJC alumni, faculty and staff, friends and family---please come and join us!

VOLUNTEERS NEEDED: Lifeguards, registration attendants, nurses, assistants with children's activities—crafts, moonbounce, facepainting, etc. We may also need help for other areas. Even an hour can be helpful. Contact Laurie Shirey to volunteer at 610-385-3695 or e-mail BLShirey@ptd.net. Also contact her on Facebook.

NOTE: Scheduling of any activities is contingent upon having adequate staff and/or space at any given time!
