

Remember when... Remember Again!!

Northeastern Christian Jr. College Family Reunion-September 2-4, 2011

Memories. So many memories wrapped up in one place. Alumni, staff, parents, and friends, all part of the NCJC family, will gather to remember and celebrate on this special Labor Day weekend.

In the early years, NCJC was NICE! Northeastern Institute for Christian Education. You are a part of the family! Please come and join in the celebration.

Help us spread the news! We do not have a mailing list and yet 175 came the last time we gathered. With your help we can have 300 friends, alumni, and staff to come and share in memories. Please ask all your friends and classmates to come. We hope to visit the old Villanova campus. So, please register early. Information available soon at: www.manatawny.org

The Reunion will take place at Camp Manatawny in Douglassville, PA, less than an hour from the old NCJC campus! Many NCJC students have attended retreats, music camps or worked on staff at Camp Manatawny. Some were campers before college!
