Hosting a Tea Party for Camp Manatawny*

The role of the hostess is simple,

- Open up home or other location to host a tea party between October 15 and December 20, 2009.
- Provide food, beverages (tea of course) entertainment if you desire. You can prepare the food or have it catered. There are no rules here.
- Collect donations. Checks should be made out to Delaware Valley Christian Camp and all donations by check or cash are tax deductible.
- Call Camp the day after your party to share the total amount collected.
- Forward the contributions to camp, please identify the donations as a part of the *Tea Time for Manatawny Fund Raiser*
- It is so easy and it can be so much fun!
  - If 100 women host a group of 10 women who are willing to donate a minimum of 25.00 each, we can generate a \$25, 000 gift to camp.
  - If 200 women are willing to host 10 we generate \$50, 000. For camp. If the hostess encourages a least one other woman to do the same the gift grows.
- Why autumn? It is a time of harvest a time to acknowledge and give thanks for what God has given us.
- The funds will be used to pay for the bath house

It can be as simple or as fancy as you desire,  
We want to capture the synergy of hosting multiple parties during a concentrated period of time.
