Dear Members of the Camp Manatawny Community,

The Executive Director (ED) Search Committee and Full Camp Board have completed a rigorous and thorough search process. We are pleased to announce that Jill Barton has accepted our offer to become the next Executive Director of Camp Manatawny.

We are very excited about the next chapter in Camp's story by welcoming Jill, who is very well prepared to assume the ED responsibility. She comes to Camp Manatawny with a thirty-year history of Christian and secular school leadership and business management. She has been serving for more than 20 years in various administrative and teaching roles at Coventry Christian School. Her masters' and undergraduate degrees are in elementary and early childhood education, curriculum and instruction. Jill is married to Darrell Barton. Their home church is the Chesmont Church of Christ. They have three adult children: Abigail, Brady and Jesse, and daughter-in-law Grace! Jill's camp time began as a camper in 1984 and most recently has included various roles such as Bible teacher and kitchen crew. Their children grew up attending Camp as campers and, more recently, serve as volunteer staffers. They have also attended many other events at Camp. Jill is looking forward to learning more about Camp and getting to know Camp regulars and new attendees!

Jill will complete her professional and personal commitments over the next several months and join us part-time as the Assistant Executive Director during the Summer Sessions. In the fall, she will assume the Camp Executive Director role full-time. We understand the importance of this transition and ask for your support and prayers as we welcome Jill as our new Executive Director!

We appreciate and love Andy as he has served Camp Manatawny during these last five years. We look forward to Andy continuing to be a part of the Camp community.

Thank you for your continued support and dedication to Camp Manatawny. Together, we will ensure that our camp remains a place where the love of Christ will continue to be demonstrated to the campers and to those we serve! May the Lord continue to bless us in the future as he has already done over the past 50+ years.
