

How Do I?

Volunteering at Camp can be a great way for Christians to extend love to others, pursue valuable past-times, and also grow in your friendships, faith and experiences. In order to be considered, you should:

- fill out the application at www.manatawny.org, this will include needed background checks and affirmation of Christian faith.
- identify your areas of serving interest.
- email the directors of the summer weeks you are specifically hoping to volunteer and introduce yourself!

Requirements:

Age- some roles are 17 or older while others are available for younger teens

Training- many roles are taught, some roles have additional requirements such as degree or professional training, or certificates.

📞 610-707-3822

📍 33 Camp Road, Douglassville, PA

WELCOME

Applying does not guarantee a volunteer role: sometimes we need to determine where and if we can fit you in, and get to know you a bit! Each of our seven weeks have differing needs, filled by each week's director team. Directors will email you to offer and confirm your role!

PART OF THE TEAM

Camp's Ministry is "Transforming Lives for Christ...For a Lifetime"...Join us this year!

Camp is known for dedicated volunteer staff who usually reside at camp for a week, but locals sometimes commute.

Bible, Crafts, Athletics and Activities Staff have roles in specific times of the schedule each day!

Counselors keep the kids moving through their schedule, accompanying them to most activities and staying in cabins with the campers!

Bailey Dining Hall provides 21 meals per week. It takes many kitchen staff to produce the fresh ingredient-home cooking, smiles and great dining camaraderie!

Facilities folk keep key areas tidy, the campfires roaring and the pool and grounds safe and clean. *Choose your favorite roles as you consider applying to volunteer!*
